5. You further asked who in Corporation Counsel could respond to the Mantz case from 1974. Per your request "My question is this. I did not see a reference to the Mantz case in the State of Wisconsin CCAP system. Could you tell me who in the Corporation Counsel's office would be able to discuss the outcome of this 1976 case."

However, since my last letter to you, Corporation Counsel was able to find a file on the Mantz case and that file is being held for you in the Courthouse. If you wish to review the file, please let me know when you would like to see it. If you wish copies
